System Installation Information Form Instructions:

Bergstrom products must be registered to validate and start the warranty period for your purchased product. Place the following URL in your web browser search bar.

<https://warranty.bergstrominc.com/install/index.cfm>

When entered, the following site will open. If needed, these instructions can be viewed via a link in the upper right corner of the site.

Select the Bergstrom system that you would like to register

Another option to get to the site is from our **internal Warranty website** on the **Bergstrom bits page**.

<https://bits.bergstrominc.com>

Click on the **Warranty Program link** and then click on the **eProduct and Bus A/C Installation Registration link**.

Request for Warranty Preauthentication	

BUS A/C REGISTRATION:

1. Click on the **Bus A/C Registration link**. The following window will open.

The screenshot shows a web form titled "Bergstrom Warranty Bus A/C Installation Information". At the top, it says "Enter in the complete bus VIN number to begin registration of the installed system". Below this is a text input field labeled "Enter the Bus VIN Number" with a "Continue" button underneath. A link "here" is provided for submitting a warranty claim. At the bottom, there is a footer with copyright information and an email address: "©2020 Bergstrom Climate Control Systems. All rights reserved. Questions or site issues, email warranty@bergstrominc.com".

2. Follow the instructions and enter in the complete **VIN number** to begin registration. Hit the continue button and the following form will open.
